SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT		Docket Number 13101/46003	
Application Number 08/284,199	International Filing Date August 2, 1994	Examiner David T. Fox	Art Unit 1638
Invention Title MODIFICATION OF PLANT METABOLISM		Inventor(s) Burrell	

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on

Date: 6/2/05 Reg. No. 39,684

Signature: [Signature]
Anthony Giaccio

1. In accordance with the duty of disclosure under 37 C.F.R. § 1.56 and in conformance with the procedures of 37 C.F.R. §§ 1.97 and 1.98 and M.P.E.P. § 609, Attorneys for Applicants hereby bring the following references to the attention of the Examiner. The references are listed on the attached PTO-1449 Form. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. Applicant has marked with an asterisk (*) the citation #77 in the attached PTO-1449 Form which discusses phosphofructokinase.
2. The filing of this Information Disclosure Statement and the enclosed PTO-1449 Form, shall not be construed as an admission that the information cited is prior art, or is considered to be material to patentability as defined in 37 C.F.R. § 1.56(b).
3. A copy of every patent, publication or other information listed on the modified PTO-1449 Form is enclosed. Copies of foreign language documents: DE 41 24 537, JP 5-153981, JP 6-90767, and JP 7-227286 are provided with a copy of an English language Abstracts thereof.
